

WEDDING GUIDE

A Blue Ridge wedding with lodging for your guests

Ceremony sites, a covered pavilion, catering and beds on the property. A mountain wedding near Roanoke, Virginia, that lasts all weekend.

WHY COUPLES CHOOSE US

Everyone stays together

One of the biggest reasons couples book here: the whole party sleeps on the property. No shuttles, no hotel block, no one peeling off at ten o'clock.

Our lodges and cabins sleep more than 100. The campground always has room for more tents, so nobody is turned away, and glamping tents can be set up on request. Make it a weekend and the wedding stops being one afternoon.

Up to 300 guests
Our own spaces suit up to 150. For more, you rent an event tent.

Beds for 100-plus

Your guests won't be waiting around

There's plenty to do between the ceremony and the first dance, and most of it needs no booking: canoeing and paddleboarding, tubing, hiking and biking, fishing, volleyball, an 18-hole disc golf course, fire pits, a private sauna on request and a lot of open space.

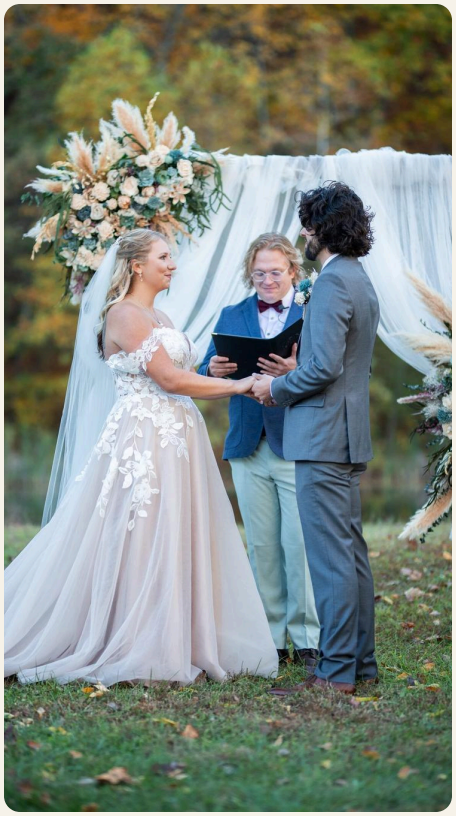

Add guided activities if you want a structured afternoon: rock climbing, the Giant Swing, low and high ropes, guided hikes or mountain biking, bonfires and s'mores, wine tastings, catered picnics, a square dance or field day games.
